

DECS DROP-OFF PROCEDURE

AVAILABLE PARKING

- Parking remains available along both sides of School Street.
- Always use the crosswalk and follow instructions from the crossing guard.
- There is absolutely NO PARKING allowed in the gravel cafeteria lot: staff only!

PLEASE RESPECT OUR NEIGHBORS

- Do not turn in or park in private driveways, unless you have express permission to do so.
- Do not move trash cans or other personal property from the curb to park your car.
- Do not make a U-turn on School Street. Continue down the street to exit.

DROP-OFF PROCEDURE

Should you wish to drop your child off instead of parking and walking in, the following guidelines must be followed to ensure the safety of our students:

- All drop-offs will occur in the turn-out at the DECS parking lot.
- Cars wishing to drop-off will so do from the south-bound lane of School Street.
(Coming in from Clarksburg Road {firehouse} and departing towards Netherlands Road.)
- NO drop-offs will take place on the north-bound lane of School Street. (sidewalk side)
- Follow all signs and signals from the bus and crossing guard, as well as all rules of the road.
- Wait for the car in front of you to pull up, DO NOT “leap frog” or pass another car.
- Leave ample space between your vehicle and the one in front of you. Be aware and alert!
- Ensure all children are ready to exit the vehicle, and help them do so quickly.
- Instruct children to go directly through the gate once out of your vehicle. They should then drop their backpack at the classroom and head to the cafeteria, as usual.
- Do not remain in the turn out longer than necessary to visit or otherwise...drop and go!

THANK YOU FOR MAKING DECS GREAT!!!
